- **Employees and Other Personnel** – We may share Personal Information with our employees and personnel (such as contractors) who have a need to know the information for our business purposes.

- **Service Providers** – We disclose your Personal Information with the service providers that we use to support our business, including but not limited to, data analytics providers, website hosting providers, and other technology providers. - **Research and Search Services** – To find medical research, clinical guidelines, and coverage policies that support your appeal, searches may be conducted using external services (like PubMed, OpenRouter web search, and similar services). In chat, what is searched for can be decided automatically by the AI assistant; in the appeal flow, the search is normally just the procedure and diagnosis. These searches are subject to the privacy notices or policies of those services.

- **Other** – We may disclose Personal Information to third parties when explicitly requested by or consented to by you, or for the purposes for which you disclosed the Personal Information to us as indicated at the time and point of the disclosure (or as was obvious at the time and point of disclosure). In such cases, your Personal Information will be subject to the privacy notices or policies of those AI providers.

Cookies and Other Tracking Technologies

We and our service providers may use cookies and similar technologies to collect usage and browser information about how you use our Site. The technologies we use for this automatic data collection may include cookies and web beacons that permit us to verify system and server integrity and generate statistics around the popularity of certain content. We process the information collected through such technologies, which may include or be combined with Personal Information, to help operate certain features of our Site, to enhance your experience through personalization, and to help us better understand the features of our Site that you and other users are most interested in.

Website Delivery and Appearance – We may use third party providers to enable certain customer interaction opportunities, content delivery (like audio or video), or other service capabilities. Examples include, but are not limited to, the following functionality:

- **Content Delivery:** We partner with service providers to host our Site and deliver specific content in support of our Services. For example, we use Google Fonts to serve fonts on our Site and Google Analytics for site metrics, which are governed by Google's Privacy Policy . If you turn on better text recognition for photos and scans on the scan page, your browser downloads the AI model files from Hugging Face. Hugging Face sees the download request, including

things like your IP address and browser, but not your documents or your text. That download is governed by Hugging Face's Privacy Policy .

Website Analytics and Session Replay – We use analytics and session replay services, that use cookies and other technologies that collect your Personal Information, to assist us with analyzing our Site traffic and site usage to optimize, maintain, and secure our Site and inform subsequent business decisions (including, e.g., advertising). These include, but are not limited to, the following third-party services:

Selling or Sharing Personal Information – While we do not sell Personal Information in exchange for monetary consideration, we do share Personal Information for other benefits that could be deemed a "sale" or "sharing" under various data protection laws, because they are sometimes broadly defined to include activities such as the delivery of interest-based advertising on websites or allowing third parties to receive certain information, such as cookies, IP address, and/or browsing behavior. Where required by law, we will provide you with the ability to opt out of the sale of your Personal Information.

Cookie Choices – To manage your preferences with respect to these technologies, you can:

- Customize your browser settings to refuse all or some browser cookies, or to alert you when websites set or access cookies. If you disable certain cookies, please note that some parts of our Site may not function properly. These settings may be lost and require reconfiguration if you delete your cookies.

- Block the collection and use of your information by online platforms and ad tech companies for the purpose of serving interest-based advertising by visiting the opt out pages of the self-regulatory programs of which those companies are members: National Advertising Initiative and Digital Advertising Alliance (or the European Interactive Digital Advertising Alliance , if you are located in the European Economic Area). Please note that even if you opt out of interest-based advertising, you may still see "contextual" ads which are based on the context of what you are looking at on the websites and pages you visit.

- Review and execute any provider-specific instructions to customize your preferences or opt-out of certain processing, including interest-based advertising, by third party service providers. For example, to opt-out of this type of advertising by Google, customize your ad preferences, or limit Google's collection or use of your data, visit Google's Safety Center and Google's Ad Settings and follow Google's personalized ad opt-out instructions .

We may deny certain requests, or only fulfill some in part, as permitted or required by law. If you are not satisfied with the resolution of your request and you are afforded a right to appeal such a decision, you will be notified of our appeal process in our response to your request.
